

# When you're smiling

Louis Armstrong

**A**                      **C#m7**                      **F#7**                      **Bm**                      **E7**                      **A7**                      **D6**

When you're smiling, when you're smiling  
**F#m7**                      **Bm**  
 The whole world smiles with you

**Bm**  
 When you're laughing, when you're laughing  
**E7**                      **A7**  
 The sun comes shining through

**A7**                      **D6**  
 But when you're crying, you bring on the rain

**Bm**                      **E7**  
 So stop sighing, be happy again

**A**                      **F#7**  
 Keep on smiling, 'cause when you're smiling

**Bm**                      **E7**                      **A**  
 The whole world smiles with you
