Oliver Morgan 1964 Willy de Ville

Intro: hey fellas (hey) I wanna know (what) tell me, 8 x G 7

Ref. **C** **G7** **C**
Who shot the La La, I don't know, who shot the La La, I don't know
C **G7**
Who shot the La La, I don't know, but I know it was a forty – four

Oh I been shot right out that door, all I know was a forty four
Everybody is trying to look at me, Lord I shook my head'n said no sorry, sorry

Ref.

The cats are jealous I'd put them in the jail, no way to keep them from standing still
If you would listen to me, this is what I want to do, throw away the key in the sea, so blue

Ref.

The only big fellow do a thing like that, how is your ma, and cousin Jack
If I hear anything I'm gonna let you know, I don't believe in shooting forty – four
